Profile

ALFA ENTERPRISES USA Inc. was established in 1997 and incorporated for export in 2003. We are now proud to be a lead exporter of E-Scrap from the USA. We export a wide range of electronic waste including, Mother Boards, keyboards, televisions, cellular phones, hard drives, and many more house hold electronics

SAFETY AND LIABILITY:

You can feel at ease knowing that all of the E-Scrap we handle is disposed of properly and will have no ill effect on our green Earth. The companies that we work with are ISO-9001:2008 certified.

MISSION STATEMENT:

To provide excellence and quality in every step of the exporting and recycling process is our duty to responsibly and ethically operate a quality recycling program from container loading to export shipping and beyond. Our commitment to both the environment and our clients make Alfa and Ideal choice in the global export and recycling market.
